Republican Ticket in Callaway.

The strikers yesterday perfected a temporary organization, which some of them say will be recognized by the Amalgamated Association of Sieel. Iron and Tin Workers. No sympathetic movement on the part of that body is contemplated, members say, but the enforcement of the steel workers scale is likely to be insisted on when the strikers return to work.

The controversy grew out of the machine molders' helpers' refusal to assist in the making of nine steel transoms and fourteen bolsters in a ten-hour working day. They asserted that the amount was greater than required formerly, and, failing to adjust the matter with the management, quit work. Fulton, Mo., May 28.-The Republicans of Callaway County met in the opera-house bere to-day in delegate convention and named the following county ticket: Repre-sentative. J. F. Smith: County Recorder, W. G. Kimbrel: Collector, A. C. Bennie: Sheriff. Charies McClelland, Presiding Judge, R. D. Rood, Judge Eastern District, Albert Brashear, Western District, Frank A. Kimball, Circuit Clerk, D. W. Eterson, Deligates were named to the State, Congressional and Judicial conventions.
